## SECTION 4

Bids will be evaluated based on the requirements set forth in **IFB No. 3160005679**, which may include criteria to determine acceptability, such as, inspection, testing, quality, workmanship, delivery, and suitability for a particular purpose. Those criteria that will affect that will affect the bid price and be considered in evaluation for award shall be objectively measured where possible. This IFB sets forth the evaluation criteria to be used. No criteria will be used in an evaluation that is not set forth in this IFB. Only bidders who are found responsive and responsible will have their bids considered.

(See **Attachment D & Attachment E**).

#### 4.1.4. Exceptions

Bidders taking exception to any part or section of the solicitation shall indicate such exceptions on the bid form. Failure to indicate any exception will be interpreted as the bidder's intent to comply fully with the requirements as written. Conditional or qualified bids, unless specifically allowed, shall be subject to rejection in whole or in part.

List and clearly explain any exceptions, for all Invitation for Bids Sections and Attachments, in the table below. Indicate “N/A”, if there are no exceptions. (See **Attachment O**).

#### **4.1.5. Informalities & Irregularities**

MDCPS has the right to waive minor defects or variations of a bid from the exact requirements of the specifications that do not affect the price, quality, quantity, delivery, or performance time of the services being procured. If insufficient information is submitted by a bidder with the bid for MDCPS to properly evaluate the bid, MDCPS has the right to require such additional information as it may deem necessary after the time set for receipt of bids, provided that the information requested does not change the price, quality, quantity, delivery, or performance time of the services being procured.

#### **4.1.6. Rejection of Bids**

A bid response that includes terms and conditions that do not conform to the terms and conditions in the bid document is subject to rejection as non-responsive. 3. The mistake is a clerical error, not an error of judgement.
4. Objective evidence drawn from original work papers, documents, and other materials used in the preparation of the bid demonstrates clearly that the mistake was an unintentional error in arithmetic or an unintentional omission of a quantity of labor or material.

To withdraw a bid that includes a clerical error after Bid Opening, the bidder must give notice in writing to MDCPS of its claim of right to withdraw a bid. Within two (2) business days after the bid opening, the bidder requesting withdrawal must provide to MDCPS, all original work papers, documents, and other materials used in the preparation of the bid.

A bidder may also withdraw a bid, prior to the time set for the opening of bids, by simply making a request in writing to MDCPS. No explanation is required.

These references must be familiar with the bidder's abilities in the areas involved with this solicitation. MDCPS will use these references to determine the bidder's ability to perform the services. It is the responsibility of the bidder to ensure that the reference contact information is correct and current. Bidders should verify before submitting their bid that the contact person and phone number are correct for each reference. **MDCPS staff must be able to reach two (2) references for a bidder within three (3) business days of bid opening to be considered responsive. Further, the bidder must score a minimum of six (6) points on each Reference Score Sheet which will be used by the MDCPS staff when interviewing the two (2) references (for a total minimum scoring requirement of twelve (12) points) to be considered responsive and/or responsible.** (*See Section 4.1.3 and Attachments D and E*) Only bidders who are found responsive and responsible will have their bids considered. The bidder may submit as many references as desired. MDCPS will begin contacting references at the top of the list and will continue down the list until MDCPS completes Reference Score Sheets for two (2) references.

#### **4.2. Bid Opening**

No payment shall be made to contractor until all deficiencies have been corrected. If contractor exhibits a pattern of non-performance as shown by repeated deficiencies, MDCPS may terminate the Contract without further obligation to contractor. (MDCPS may elect to use the form included as **Attachment J**, Drug & Alcohol Testing Services Discrepancy Report.)

### **SECTION 5**

#### **5.1. Post-Award Vendor Debriefing**

A bidder, successful or unsuccessful, may request a Post-Award Debriefing, in writing, by U.S. Mail or electronic submission. The written request must be received by the Commissioner of MDCPS within three (3) business days of notification of the contract award. A Post-Award Debriefing is a meeting and not a hearing; therefore, legal representation is not required. A debriefing typically occurs within three (3) business days of receipt of the request. If a bidder prefers to have legal representation present, the bidder must notify the Commissioner of MDCPS in writing and identify its attorney by name, address, and telephone number. MDCPS will schedule and/or suspend and reschedule the meeting at a time when a Representative of the Office of the Mississippi Attorney General can be present.

For additional information regarding Post-Award Debriefing, as well as the information that may be provided and excluded, please see Section 7-113 through 7-113.07, Post-Award Vendor Debriefing, of the Mississippi *Public Procurement Review Board (PPRB)*, *Office of Personal Service Contract Review (OPSCR) Rules and Regulations*.

#### **5.2. Protest of Award**

Any actual or prospective bidder or contractor who is aggrieved in connection with this solicitation or the outcome of the IFB may file a protest with the MDCPS Commissioner. The protest shall be submitted on or before date and time specified in Section 1.1.1, in writing after such aggrieved person or entity knows or should have known of the facts giving rise thereto. All protests must be in writing, dated, signed by the bidder or an individual authorized to sign contracts on behalf of the protesting bidder, and contain a statement of the reason(s) for protest, citing the law(s), rule(s) or regulation(s), and/or procedure(s) on which the protest is based. The written protest letter shall contain an explanation of the specific basis for the protest. The protesting bidder must provide facts and evidence to support the protest. A protest is considered filed when received by the MDCPS Commissioner via either U.S. Mail, postage prepaid, or personal delivery. Protests filed after seven (7) days of award will not be considered.

### **5.3. Required Contract Terms & Conditions**

Any contract entered into between MDCPS and a vendor/bidder shall include the required clauses found in **Attachment L** and those required by the *Mississippi Public Procurement Review Board Office of Personal Service Contract Review Rules and Regulations*.

### **5.4. Optional Contract Terms & Conditions**

Any contract entered into between MDCPS and a vendor/bidder pursuant to this IFB may have, at the discretion of the MDCPS, the optional clauses found on <https://www.dfa.ms.gov/personal-service-contract-review> (Rules and Regulations). MDCPS discourages exceptions from these optional clauses. Such exceptions may cause a bid to be rejected as non-responsive. Bids which condition the bid based upon the State accepting other terms and conditions not found in the IFB, or which take exception to the State's terms and conditions, may be found non-responsive, and no further consideration of the bid will be given.

It is understood that if this contract requires approval by the Public Procurement Review Board and/or the Mississippi Department of Finance and Administration Office of Personal Service Contract Review and this contract is not approved by the PPRB and/or OPSCR, it is void and no payment shall be made hereunder.

1. Parties. The parties to this contract are the Mississippi Department of Child Protection Services (hereinafter “MDCPS”) and [Independent Contractor] (hereinafter “Independent Contractor”).
2. Purpose. The purpose of this contract is for MDCPS to engage Independent Contractor for \_\_\_\_\_. Independent Contractor hereby agrees to render certain professional services described in Paragraph 3, “Scope of Services.”
3. Scope of Services. Independent Contractor will perform and complete in a timely and satisfactory manner the services described in the Scope of Services, attached hereto as Exhibit A, the “*2<sup>nd</sup> Modified Mississippi Settlement Agreement and Reform Plan*”, attached hereto as Exhibit B, and the Budget, attached hereto as Exhibit C, incorporated herein by reference.

5. Period of Performance. This contract will become effective for the period beginning [Start Date] and ending on [End Date] upon the approval and signature of both parties hereto.
6. Renewal of Contract. The contract may be renewed at the discretion of MDCPS upon written notice to Independent Contractor prior to the contract anniversary date for one successive one-year period under the same prices, terms, and conditions as in the original contract and/or subsequent contracts. The total number of renewal years permitted shall not exceed [four] or extend past [add date]. However, if MDCPS does not intend to renew the contract, Independent Contractor shall be notified in writing prior to the contract anniversary date.

Independent Contractor agrees to submit invoices to MDCPS that contain a detailed account of each billing. **The final invoice is to be submitted no later than fifteen (15) days after the contract end date.** Independent Contractor is classified as an independent contractor and not a contractual employee of MDCPS. As such, any compensation due and payable to Independent Contractor will be paid as gross amounts. Independent Contractor invoices shall be submitted to the Agency as set forth in Paragraph 27. Independent Contractor invoices shall be submitted to MDCPS at

Independent Contractor shall comply with applicable federal, state, and local laws and regulations.
9. Availability of Funds. It is expressly understood and agreed that the obligation of the MDCPS to proceed under this agreement is conditioned upon the appropriation of funds by the Mississippi State Legislature and the receipt of state and/or federal funds. If the funds anticipated for the continuing fulfillment of the agreement are, at any time, not forthcoming or insufficient, either through the failure of the federal government to provide funds or of the State of Mississippi to appropriate funds or the discontinuance or material alteration of the program under which funds were provided or if funds are not otherwise available to MDCPS, MDCPS shall have the right upon ten (10) working days written notice to Independent Contractor, to terminate this agreement without damage, penalty, cost or expenses to the MDCPS of any kind whatsoever. The effective date of termination shall be as specified in the notice of termination.
10. Representation Regarding Contingent Fees. Independent Contractor represents that it has not retained a person to solicit or secure a state contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, except as disclosed in Contractor's bid or proposal.

Independent Contractor understands that MDCPS is an equal opportunity employer and therefore, maintains a policy which prohibits unlawful discrimination based on race, color, creed, sex, age, national origin, physical handicap, disability, genetic information, or any other consideration made unlawful by federal, state, or local laws. All such discrimination is unlawful and Independent Contractor agrees during the term of the agreement that Independent Contractor will strictly adhere to this policy in its employment practices and provision of services. Independent Contractor shall comply with, and all activities under this agreement shall be subject to, all applicable federal, State of Mississippi, and local laws and regulations, as now existing and as may be amended or modified.

Insurance carriers must be licensed or hold a Certificate of Authority from the Mississippi Department of Insurance.

14. Indemnification. To the fullest extent allowed by law, Independent Contractor shall indemnify, defend, save and hold harmless, protect, and exonerate the agency, its commissioners, board members, officers, employees, agents, and representatives, and the State of Mississippi from and against all claims, demands, liabilities, suits, actions, damages, losses, and costs of every kind and nature whatsoever including, without limitation, court costs, investigative fees and expenses, and attorney's fees, arising out of or caused by Independent Contractor and/or its partners, principals, agents, employees and/or subcontractors in the performance of or failure to perform this agreement. In the State's sole discretion, Independent Contractor may be allowed to control the defense of any such claim, suit, etc. In the event Independent Contractor defends said claim, suit, etc., Independent Contractor shall use legal counsel acceptable to the State. Independent Contractor shall be solely responsible for all costs and/or expenses associated with such defense, and the State shall be entitled to participate in said defense. Independent Contractor shall not settle any claim, suit, etc. without the State's concurrence, which the State shall not unreasonably withhold.

15. Stop Work Order.

- 1) Order to Stop Work: MDCPS may, by written order to Independent Contractor at any time, and without notice to any surety, require Independent Contractor to stop all or any part of the work called for by this contract. This order shall be for a specified period not exceeding 90 days after the order is delivered to Independent Contractor, unless the parties agree to any further period. Any such order shall be identified specifically as a stop work order issued pursuant to this clause. Upon receipt of such an order, Independent Contractor shall forthwith comply with its terms and take all reasonable steps to minimize the occurrence of costs allocable to the work covered by the order during the period of work stoppage. Before the stop work order expires, or within any further period to which the parties shall have agreed, MDCPS shall either:
  - a) cancel the stop work order; or,
  - b) terminate the work covered by such order as provided in the Termination for Default clause or the Termination for Convenience clause of this contract.
- 2) Cancellation or Expiration of the Order: If a stop work order issued under this clause is canceled at any time during the period specified in the order, or if the period of the order or any extension thereof expires, Independent Contractor shall have the right to resume work. An appropriate adjustment shall be made in the delivery schedule or Independent Contractor price, or both, and the contract shall be modified in writing accordingly, if:

- a) the stop work order results in an increase in the time required for, or in Independent Contractor's cost properly allocable to, the performance of any part of this contract; and,
  - b) Independent Contractor asserts a claim for such an adjustment within 30 days after the end of the period of work stoppage; provided that, if MDCPS decides that the facts justify such action, any such claim asserted may be received and acted upon at any time prior to final payment under this contract.
- 3) Termination of Stopped Work: If a stop work order is not canceled and the work covered by such order is terminated for default or convenience, the reasonable costs resulting from the stop work order shall be allowed by adjustment or otherwise.
  - 4) Adjustments of Price: Any adjustment in contract price made pursuant to this clause shall be determined in accordance with the Price Adjustment clause of this contract.

16. Termination. The Commissioner may terminate this contract with or without cause upon thirty (30) days prior written notice to the Independent Contractor.

17. Termination for Convenience.

- 1) *Termination.* The Commissioner or designee may, when the interests of the State so require, terminate this contract in whole or in part, for the convenience of the State. The Commissioner or designee shall give written notice of the termination to Independent Contractor specifying the part of the contract terminated and when termination becomes effective.
- 2) *Independent Contractor's Obligations.* Independent Contractor shall incur no further obligations in connection with the terminated work and on the date set in the notice of termination Independent Contractor will stop work to the extent specified. Independent Contractor shall also terminate outstanding orders and subcontracts as they relate to the terminated work. Independent Contractor shall settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated work. The Commissioner or designee may direct Independent Contractor to assign Independent Contractor's right, title, and interest under terminated orders or subcontracts to the State. Independent Contractor must still complete the work not terminated by the notice of termination and may incur obligations as are necessary to do so.

18. Termination for Default.

- 1) *Default.* If Independent Contractor refuses or fails to perform any of the provisions of this contract with such diligence as will ensure its completion within the time specified in this contract or any extension thereof, or otherwise fails to timely

satisfy the contract provisions, or commits any other substantial breach of this contract, the Commissioner or designee may notify Independent Contractor in writing of the delay or nonperformance and if not cured in ten (10) days or any longer time specified in writing by the Commissioner or designee, such officer may terminate Independent Contractor's right to proceed with the contract or such part of the contract as to which there has been delay or a failure to properly perform. In the event of termination in whole or in part, the Commissioner or designee may procure similar supplies or services in a manner and upon terms deemed appropriate by the Commissioner or designee. Independent Contractor shall continue performance of the contract to the extent it is not terminated and shall be liable for excess costs incurred in procuring similar goods or services.

- 2) *Contractor's Duties.* Notwithstanding termination of the contract and subject to any directions from the procurement officer, Independent Contractor shall take timely, reasonable, and necessary action to protect and preserve property in the possession of Independent Contractor in which the State has an interest.
- 3) *Compensation.* Payment for completed services delivered and accepted by the State shall be at the contract price. The State may withhold from amounts due Independent Contractor such sums as the Commissioner or designee deems to be necessary to protect the State against loss because of outstanding liens or claims of former lien holders and to reimburse the State for the excess costs incurred in procuring similar goods and services.
- 4) *Excuse for Nonperformance or Delayed Performance.* Except with respect to defaults of subcontractors, Independent Contractor shall not be in default by reason of any failure in performance of this contract in accordance with its terms (including any failure by Independent Contractor to make progress in the prosecution of the work hereunder which endangers such performance) if Contractor has notified the Commissioner or designee within 15 days after the cause of the delay and the failure arises out of causes such as: acts of God; acts of the public enemy; acts of the State and any other governmental entity in its sovereign or contractual capacity; fires; floods; epidemics; quarantine restrictions; strikes or other labor disputes; freight embargoes; or unusually severe weather. If the failure to perform is caused by the failure of a subcontractor to perform or to make progress, and if such failure arises out of causes similar to those set forth above, Independent Contractor shall not be deemed to be in default, unless the services to be furnished by the subcontractor were reasonably obtainable from other sources in sufficient time to permit Independent Contractor to meet the contract requirements. Upon request of Independent Contractor, the Commissioner or designee shall ascertain the facts and extent of such failure, and, if such officer determines that any failure to perform was occasioned by any one or more of the excusable causes, and that, but for the excusable cause, Independent Contractor's progress and performance would have met the terms of the contract, the delivery schedule shall be revised accordingly, subject to the rights of the State under the clause entitled in fixed-priced contracts,

“Termination for Convenience”. (As used in this Paragraph of this clause, the term “subcontractor” means subcontractor at any tier).

- 5) *Erroneous Termination for Default*. If, after notice of termination of Independent Contractor’s right to proceed under the provisions of this clause, it is determined for any reason that the contract was not in default under the provisions of this clause, or that the delay was excusable under the provisions of Paragraph (4) (Excuse for Nonperformance or Delayed Performance) of this clause, the rights and obligations of the parties shall, if the contract contains a clause providing for termination for convenience of the State, be the same as if the notice of termination had been issued pursuant to such clause.
  - 6) *Additional Rights and Remedies*. The rights and remedies provided in this clause are in addition to any other rights and remedies provided by law or under this contract.
19. Termination Upon Bankruptcy. This contract may be terminated in whole or in part by MDCPS upon written notice to Independent Contractor, if Independent Contractor should become the subject of bankruptcy or receivership proceedings, whether voluntary or involuntary, or upon the execution by Independent Contractor of an assignment for the benefit of its creditors. In the event of such termination, Independent Contractor shall be entitled to recover just and equitable compensation for satisfactory work performed under this contract, but in no case shall said compensation exceed the total contract price.
20. Modification or Renegotiation. This agreement may be modified only by written agreement signed by the parties hereto. The parties agree to renegotiate the agreement if federal and/or state revisions of any applicable laws or regulations make changes in this agreement necessary. Modifications shall not be initiated by the Independent Contractor within the last 90 days of the contract period, without prior approval from the Commissioner’s Office.
21. Anti-assignment/Subcontracting. Contractor acknowledges that it was selected by the State to perform the services required hereunder based, in part, upon Contractor’s special skills and expertise. Contractor shall not assign, subcontract, or otherwise transfer this agreement, in whole or in part, without the prior written consent of the State, which the State may, in its sole discretion, approve or deny without reason. Any attempted assignment or transfer of its obligations without such consent shall be null and void. No such approval by the State of any subcontract shall be deemed in any way to provide for the incurrence of any obligation of the State in addition to the total fixed price agreed upon in this agreement. Subcontracts shall be subject to the terms and conditions of this agreement and to any conditions of approval that the State may deem necessary. Subject to the foregoing, this agreement shall be binding upon the respective successors and assigns of the parties.
22. Non-Solicitation of Employees. Each party to this agreement agrees not to employ or to solicit for employment, directly or indirectly, any persons in the full-time or part-time employment of the other party until at least six (6) months after this agreement terminates

unless mutually agreed to in writing by the State or Contractor.

23. Waiver. No delay or omission by either party to this agreement in exercising any right, power, or remedy hereunder or otherwise afforded by contract, at law, or in equity shall constitute an acquiescence therein, impair any other right, power or remedy hereunder or otherwise afforded by any means, or operate as a waiver of such right, power, or remedy. No waiver by either party to this agreement shall be valid unless set forth in writing by the party making said waiver. No waiver of or modification to any term or condition of this agreement will void, waive, or change any other term or condition. No waiver by one party to this agreement of a default by the other party will imply, be construed as or require waiver of future or other defaults.
24. E-Payment. Independent Contractor agrees to accept all payments in United States currency via the State of Mississippi's electronic payment and remittance vehicle.
