20.0 Required Contract Terms and Conditions

Any contract shall have the required clauses found in Exhibit M and those required by the Mississippi Personal Service Contract Review Board’s Rules and Regulations as updated on www.mspb.ms.gov.

21.0 Bid Exceptions

Please return the Bid Exception Summary Form (Exhibit J) with all exceptions to items in any Section of this IFB listed and clearly explained or state “No Exceptions Taken.” If no Bid Exception Summary Form is included, the Bidder is indicating that he takes no exceptions to any item in this IFB document.

21.1 Unless specifically disallowed on any specification herein, the Bidder may take exception to any point within this IFB, including a specification denoted with “must” or “shall,” as long as the following are true:

21.1.1 The specification is not a matter of State law;

21.1.2 The bid still meets the intent of the IFB

21.1.3 A Bid Exception Summary Form is included with the bid; and

21.1.4 The exception is clearly explained, along with any alternative or substitution the Bidder proposes to address the intent of the specification, on the Bid Exception Summary Form.
21.2 The Bidder has no liability to provide items to which an exception has been taken. MDCPS has no obligation to accept any exception. During the bid evaluation and/or contract negotiation process, the Bidder and MDCPS will discuss each exception and take one of the following actions:

21.2.1 The Bidder will withdraw the exception and meet the specification in the manner prescribed;

21.2.2 MDCPS will determine that the exception neither poses significant risk to the project nor undermines the intent of the IFB and will accept the exception;

21.2.3 MDCPS and the Bidder will agree on compromise language dealing with the exception and will insert same into the contract; or

21.2.4 None of the above actions is possible, and MDCPS either disqualifies the proposal or withdraws the award and proceeds to the next ranked Bidder.

21.3 Shall MDCPS and the Bidder reach a successful agreement, MDCPS will sign adjacent to each exception which is being accepted or submit a formal written response to the Bid Exception Summary responding to each of the Bidder’s exceptions. The Bid Exception Summary, with those exceptions approved by MDCPS, will become a part of any contract on acquisitions made under this IFB.

21.4 An exception will be accepted or rejected at the sole discretion of MDCPS.

21.5 MDCPS desires to award this IFB to a Bidder with whom there is a high probability of establishing a mutually agreeable contract, substantially within the standard terms and conditions of the State’s IFB, including the Standard Contract in Exhibit M. As such, proposals, in the sole opinion of MDCPS, reflect a substantial number of material exceptions to this IFB, may place themselves at a comparative disadvantage in the evaluation process or risk disqualification of their bids.

21.6 For Bidders who have successfully negotiated a contract with MDCPS in the past, MDCPS requests that, prior to taking any exceptions to this IFB, the individual(s) preparing this proposal first confer with other individuals who have previously submitted proposals to MDCPS or participated in contract negotiations with MDCPS on behalf of their company, to ensure the Bidder is consistent in the items to which it takes exception.

22.0 Proprietary Information

The bidder should mark any and all pages of the bid considered to be proprietary information which may remain confidential in accordance with Mississippi Code Annotated §§ 25-61-9 and 79-23-1 (1972, as amended). Any pages not marked accordingly will be subject to review by the general public after award of the contract. Requests to review the proprietary information will be handled in accordance with applicable legal procedures. (Exhibit N)

6. **Relationship of Parties.**

   A. It is expressly understood and agreed that MDCPS enters into this Contract with Independent Contractor on a purchase of service basis and not on an employer-employee relationship basis. Nothing contained herein shall be deemed or construed by MDCPS, the Independent Contractor, or any third party as creating the relationship of principal and agent, partners, joint venturers, or any similar such relationship between MDCPS and the Independent Contractor. Neither the method of computation of fees or other charges, nor any other provision contained herein, nor any acts of MDCPS or the Independent Contractor hereunder, creates or shall be deemed to create a relationship other than the independent relationship of MDCPS and the Independent Contractor.

   E. Independent Contractor shall pay when due all salaries and wages of its employees, and it accepts exclusive responsibility for the payment of Federal Income Tax, State Income Tax, Social Security, Unemployment Compensation and any other withholdings that may be required.

7. **Termination for Cause.** If, through any cause, Independent Contractor fails to fulfill in a timely and proper manner, as determined by MDCPS, its obligations under this Contract, or if Independent Contractor violates any of the covenants, agreements, or stipulations of this Contract, MDCPS shall thereupon have the right to terminate the Contract by giving written notice to Independent Contractor of such termination and specifying the effective date thereof at least five (5) days before the effective date of such termination. In the event of such termination, Independent Contractor shall be entitled to receive just and equitable compensation for satisfactory work completed on services or documents or materials collected and/or prepared...
by Independent Contractor in connection with this Contract. Such compensation shall be based upon the fees set forth in Paragraph 5, but, in no case, shall said compensation exceed the total Contract price.

Notwithstanding the above, Independent Contractor shall not be relieved of liability to MDCPS for damages sustained by MDCPS by virtue of any breach of this Contract by Independent Contractor, and MDCPS may withhold any payments to Independent Contractor for the purpose of set off until such time as the exact damages due to MDCPS from Independent Contractor are determined.

8. **Termination for Default.**

(1) **Default.** If the contractor refuses or fails to perform any provisions of this contract with such diligence as will ensure its completion within the time specified in this contract, or any extension thereof, or otherwise fails to timely satisfy the contract provisions, or commits any other substantial breach of this contract, the Agency Head of MDCPS may notify the contractor in writing of the delay or nonperformance and if not cured in ten (10) days or any longer time specified in writing by the Agency Head, such officer may terminate the contractor’s right to proceed with the contract or such part of the contract as to which there has been delay or a failure to properly perform. In the event of termination in whole or in part, the Agency Head may procure similar services in a manner and upon terms deemed appropriate by the Agency Head. The contractor shall continue performance of the contract to the extent it is not terminated and shall be liable for excess costs incurred in procuring similar goods or services.

(2) **Contractor’s Duties.** Notwithstanding termination of the contract and subject to any directions from the Agency Head, the contractor shall take timely, reasonable, and necessary action to protect and preserve property in the possession of the contractor in which the State has an interest.

(3) **Compensation.** Payment for completed services delivered and accepted by MDCPS shall be at the contract price. MDCPS may withhold from amounts due the contractor such sums as the Agency Head deems to be necessary to protect MDCPS against loss because of outstanding liens or claims of former lien holders and to reimburse MDCPS for the excess costs incurred in procuring similar goods and services.

(4) **Excuse for Nonperformance or Delayed Performance.** Except with respect to defaults of subcontractors, the contractor shall not be in default by reason of any failure in performance of this contract in accordance with its terms (including any failure by the contractor to make progress in the prosecution of the work hereunder which endangers such performance) if the contractor has notified the Agency Head within 15 days after the cause of the delay and the failure arises out of causes such as: acts of God; acts of the public enemy; acts of the State and any other governmental entity in its sovereign or contractual capacity; fires; floods; epidemics;
quarantine restrictions; strikes or other labor disputes; freight embargoes; or unusually severe weather. If the failure to perform is caused by the failure of a subcontractor to perform or to make progress, and if such failure arises out of causes similar to those set forth above, the contractor shall not be deemed to be in default, unless the services to be furnished by the subcontractor were reasonably obtainable from other sources in sufficient time to permit the contractor to meet the contract requirements. Upon request of the contractor, the Agency Head of MDCPS shall ascertain the facts and extent of such failure, and, if such officer determines that any failure to perform was occasioned by any one or more of the excusable causes, and that, but for the excusable cause, the contractor’s progress and performance would have met the terms of the contract, the delivery schedule shall be revised accordingly, subject to the rights of MDCPS under the clause entitled (in fixed-price contracts, “Termination for Convenience,” or in cost-reimbursement contracts, “Termination”). (As used in this Paragraph of this clause, the term “subcontractor” means subcontractor at any tier).

(5) **Erroneous Termination for Default.** If, after notice of termination of the contractor’s right to proceed under the provisions of this clause, it is determined for any reason that the contract was not in default under the provisions of this clause, or that the delay was excusable under the provisions of Paragraph (4) of this clause, the rights and obligations of the parties shall, if the contract contains a clause providing for termination for convenience of MDCPS, be the same as if the notice of termination has been issued pursuant to such clause.

(6) **Additional Rights and Remedies.** The rights and remedies provided in this clause are in addition to any other rights and remedies provided by law or under this contract.

9. **Termination upon Bankruptcy.** This contract may be terminated in whole or in part by MDCPS upon written notice to Contractor, if Contractor should become the subject of bankruptcy or receivership proceedings, whether voluntary or involuntary, or upon the execution by Contractor of an assignment for the benefit of its creditors. In the event of such termination, Contractor shall be entitled to recover just and equitable compensation for satisfactory work performed under this contract, but in no case shall said compensation exceed the total contract price.

10. **Termination for Convenience of MDCPS.** MDCPS may terminate this Contract at any time by giving written notice to Independent Contractor of such termination and specifying the effective date thereof at least five (5) days before the effective date of such termination. Independent Contractor shall be paid an amount which bears the same ratio to the total compensation as the services actually and satisfactorily performed bear to the total services of Independent Contractor covered by the Contract, less payments of compensation previously made.
(1) Termination. The Agency Head of MDCPS may, when the interests of MDCPS so require, terminate this contract in whole or in part, for the convenience of MDCPS. The Agency Head shall give written notice of the termination to the contractor specifying the part of the contract terminated and when termination becomes effective.

(2) Contractor’s Obligations. The contractor shall incur no further obligations in connection with the terminated work and on the date set in the notice of termination the contractor will stop work to the extent specified. The contractor shall also terminate outstanding orders and subcontracts as they relate to the terminated work. The contractor shall settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated work. The Agency Head may direct the contractor to assign the contractor’s right, title, and interest under the terminated orders or subcontracts to the State. The contractor must still complete the work not terminated by the notice of termination and may incur obligations as are necessary to do so.

11. **Ownership of Documents and Work Products.** All data collected by Independent Contractor and all documents, notes, programs, data bases (and all applications thereof), files, reports, studies, and/or other material collected and prepared by Independent Contractor in connection with this Contract shall be the property of MDCPS upon completion or termination of this Contract. MDCPS hereby reserves all rights to the data base and all applications thereof and to any and all information and/or materials prepared under this Contract.

The Independent Contractor is prohibited from use of the above described information and/or materials without the express written approval of MDCPS.

12. **Record Retention and Access to Records.** Independent Contractor shall maintain, and make available to MDCPS, any State agency authorized to audit MDCPS, the federal grantor agency, the Comptroller General of the United States or any of their duly authorized representatives, financial records, supporting documents, statistical records, and all other records pertinent to the services performed under this Contract. These records shall be maintained for at least three (3) years; however, if any litigation or other legal action, by or on behalf of the state or federal government has begun that is not completed at the end of the three-year period, or if audit finding, litigation, or other legal action has not been resolved at the end of the three-year period, the records shall be retained until resolution.
13. **Modification or Amendment.** Modifications, changes, or amendments to this Contract may be made upon mutual agreement of the parties hereto. However, any change, supplement, modification, or amendment of any term, provision, or condition of this Contract shall be in writing and signed by both parties hereto.

14. **Assignments and Subcontracts.** Independent Contractor shall not assign, sublet, or otherwise transfer the obligations incurred on its part pursuant to the terms of this Contract without the prior written consent of MDCPS. Any attempted assignment or transfer of its obligation without such consent shall be wholly void.

15. **Waiver.** Failure of either party hereto to insist upon strict compliance with any of the terms, covenants, and conditions hereof shall not be deemed a waiver or relinquishment of any similar right or power hereunder at any subsequent time or of any other provision hereof, nor shall it be construed to be a modification of the terms of this Contract.

16. **Availability of Funds.** It is expressly understood and agreed that the obligation of MDCPS to proceed under this Contract is conditioned upon the availability of funds, the appropriation of funds by the Mississippi Legislature, and the receipt of state and/or federal funds. If, at any time, the funds anticipated for the fulfillment of this Contract are not forthcoming or are insufficient, either through the failure of the federal government to provide funds or of the State of Mississippi to appropriate funds or the discontinuance or material alteration of the program under which funds were provided, or if funds are not otherwise available to MDCPS for the performance of this Contract, MDCPS shall have the right, upon written notice to Independent Contractor, to immediately terminate this Contract without damage, penalty, cost, or expense to MDCPS of any kind whatsoever. The effective date of termination shall be as specified in the notice of termination.

17. **Price Adjustment.**

A. **Price Adjustment Methods.** The Contract price may be changed only by written agreement of the parties. The value of any work covered by any claim for increase or decrease in the Contract Price shall be determined by one or more of the following methods:

   (1) Unit prices, if any, previously approved by the parties and specified in this Contract; or

   (2) MDCPS may, at any time by written order, make changes in the specifications within the general scope of this
Agreement. If any such change causes an increase in the amount due under this Contract or in the time required for performance under this Agreement and if MDCPS decides that the change justifies an adjustment to the Contract, an equitable adjustment in the Contract may be made by written modification of this Agreement.

No charge for any extra work or material will be allowed unless the same has been provided for by written amendment to this Contract signed by both parties.

B. Submission of Cost Pricing Data. The Independent Contractor shall provide cost or pricing data for any price adjustments subject to the provisions of Section 3-403 (Cost or Pricing Data) of the Mississippi Personal Service Contract Procurement Regulations.

18. **Indemnification.** MDCPS shall, at no time, be legally responsible for any negligence or wrongdoing by the Independent Contractor and/or its employees, servants, agents, contractors, and/or subcontractors.
